Hello Brothers,

The month of July flew by quick.

We had my first executive board meeting as President at the MEFRC July 1st.

The following weekend traveled Port Huron for the Men's State Golf outing, I can say I didn't come in last. Then back to the MEFRC to install the new Jr. Eagles officers, Dottie and I were presented with charity checks for our charities, I was presented a shirt signed by the Jr. Eagles from all the groups plus the committee and counselors. I was also presented with a special hat and another special shirt from group #2. The hat has lights, and the shirt has handprints and all their names from the group, I believe the kids are from 6-8 years old. I told them I was taking the hat to International Convention, which I did and wore it proudly.

Next, we on our way to Reno for the convention, with a delay in Detroit and Salt Lake City. Seen a lot of friends and made some new friends. Janice and I made it home at about 2 am and no power in the house. That lasted until later in the afternoon Thursday.

Now into August with 3 golf outings and a Presidents charity at Madison Heights.

Hope to see many of you in the next month. If not, be safe and enjoy.

Question of the month:

What was the name of Social Security when it was enacted, (before the name social security)

When you see me on the trail, let me know.

Fraternally,

Patrick

Trustees Monthly Newsletter for July 2023

July was a busy month for the Board of Trustees with the Grand Convention being held in Reno, Nevada. Several State Officers were not in Reno due to unforeseen circumstances so there was an extra workload for the Trustees and thank God for our Auxiliary Sisters who helped immensely to fill in the gaps!!! Trustee Jesse Burrow is healing nicely, and Keith Erdman is fighting the fight. Let's keep them in our daily prayers for a speedy recovery along with their families. The auto damage to the MEFRC Social Room was repaired both inside and outside, although the steel does not match well due to the fading of the building. Time and sunlight will fade the difference. We had some plumbing issues in the outside bathrooms from dog hair, so please do not take your animals into the showers. Youth Group went well, there were several children in attendance and the report that we received is that all had a great time. August will be another busy month for your Board of Trustees as winter is closing in. We are trying to get the outside work completed such as the back bathroom overhang and Jason and Keith are working to finish the groundwork at the campground. Brothers let's not forget that the Board of Trustees, Executive Board and Officers job goes much farther than the MEFRC. Making sure the State Aerie is in compliance with the Grand Aerie and helping our clubs that are under suspension get back on track is certainly a full-time job.

Please remember "It's not about me, it's about the F.O.E."

The Grand Aerie drop date 7/11/23 only have a few days to get dues collected. Our new goal for this year 7% net gain. If your Aerie could get 10% of members to propose new members we will make that goal. I know MIGHTY MICHIGAN CAN MAKE THAT GOAL. We have 2 Aeries have already made net gain Negaunee #1944 and Harrison #3541. Need 5,336 new and reenrolled members to net gain I know we can make that goal we had 1071 member gain in July.
